

SHELTON STATE  
COMMUNITY COLLEGE  
ATHLETIC BOOSTER CLUB

# Athletic Booster Club

## NEWSLETTER

### A WORD FROM THE PRESIDENT...

I am pleased to extend an invitation for membership in the Shelton State Athletic Booster Club. This addition to our athletic department will add additional support and financial assistance for our future growth of programs.

Intercollegiate athletics are a very important part of life at any college, not only for the participants, but also for the entire institution. Athletics teach our students the importance of teamwork, commitment and sacrifice.

The student body enjoys the competition as fans, perhaps more importantly; pulling for the home team gives them an opportunity to come together as a community.

The Shelton State Athletic Booster Club will bring together the community as fans and allow for participation in numerous other events and activities in a festive atmosphere. Each spring, members will automatically be invited to our "Spring Fling" outing featuring fine food and a chance to become a cash winner in the booster member drawing.

Join with faculty, staff and me in making Shelton State Athletic Booster Club a huge success as we support these student athletic events. As a member, you will receive a membership card that entitles you entrance to all athletic events on campus, a handsome lapel pin and a booster shirt. Also, each member will receive an annual media guide and subscription to The Shelton State Courier, our college newspaper.

A form is included on the back page. Simply fill it out and enclose a check to start enjoying all the athletic activities at Shelton State. It's as easy as ABC.

Thank you,

Dr. Rick Rogers, President

# Meet The Coaches!

**Coach Nellie Christian**

Coach Christian enters her second year as Head Coach of the Lady Bucs Soccer team.

Coming off a great 10-4-2 season in 2000, the team should be even stronger for the 2001 year. Coach Christian, a University of Alabama graduate, was a member of the SEC All-Tournament team and was Most Valuable Player in 1997. For exciting soccer, attend the home games on the Martin Campus.

**Coach Dixie Terry**

Coach Terry starts her third season as Head Coach of the Lady Bucs Softball team. A

graduate of the University of North Alabama, the Hatton, Alabama native brings much playing experience to Shelton.

Her coaching philosophy is maintaining a solid defense.

The 2001-2002 Lady Bucs softball team has a fall and spring schedule that offers exciting fast-pitch action.

**Coach Madonna Thompson**

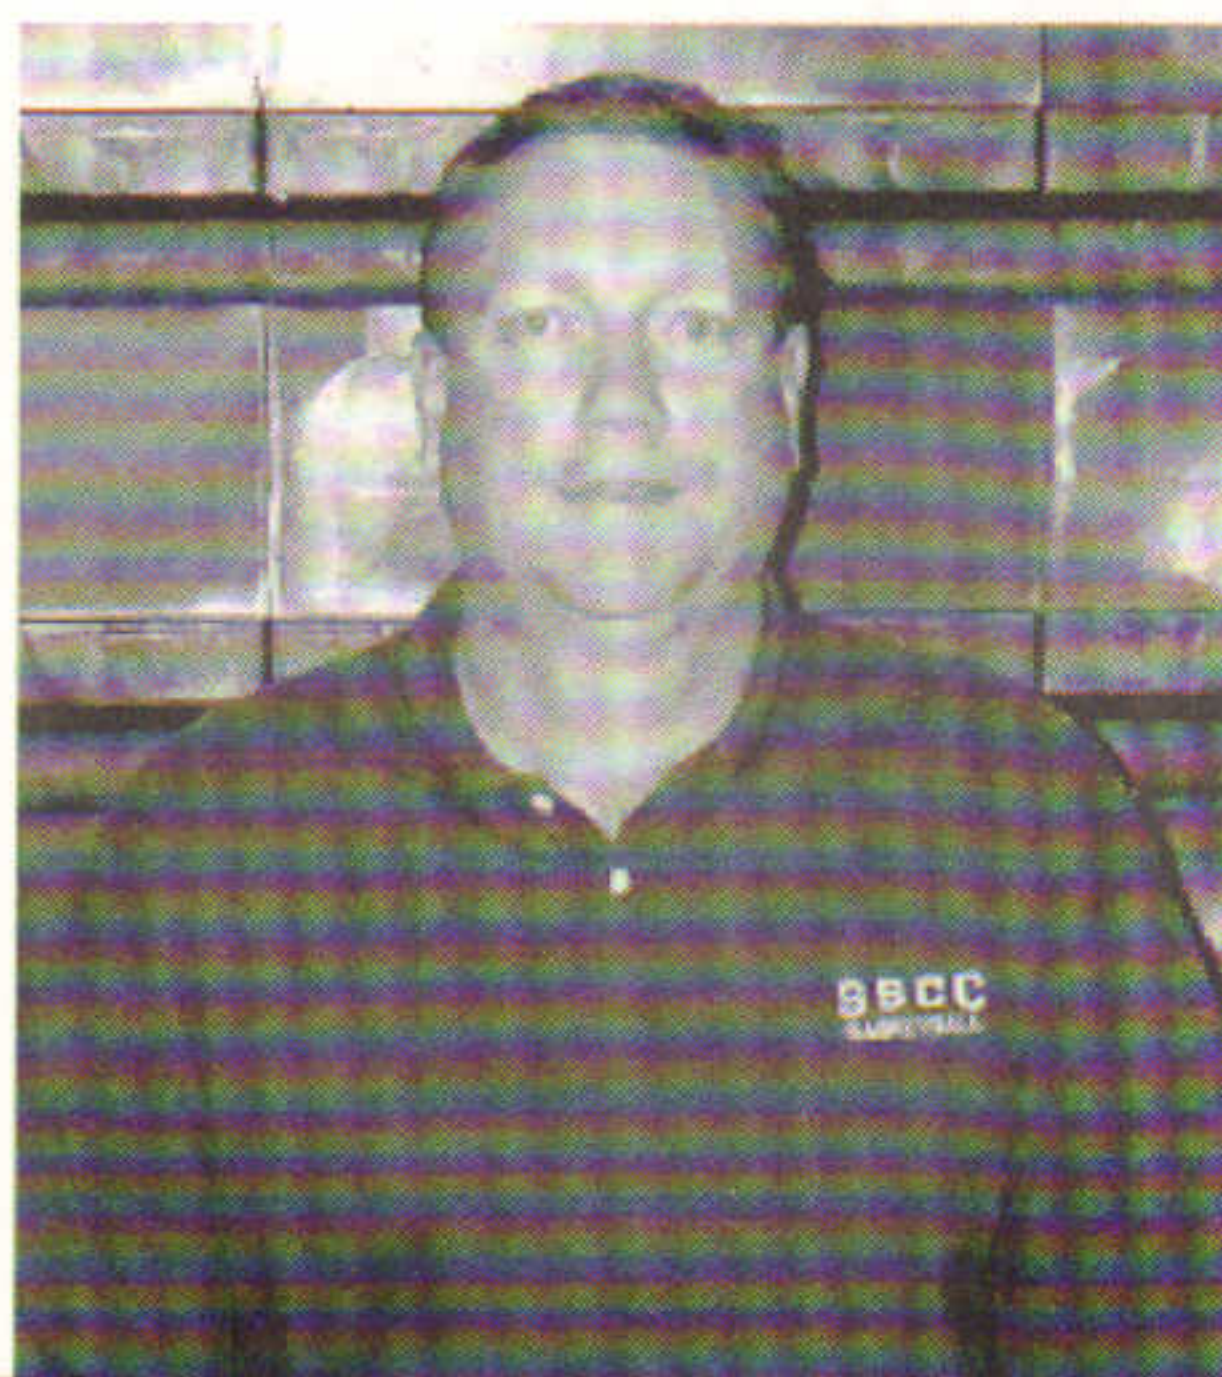

Coach Thompson starts her fourth year as Head of the Lady Bucs Basketball team.

Having tasted National Tournament action, the women's program is definitely headed to bigger and greater accomplishments. Coach Thompson's playing career at the University of Alabama under Rick Moody has made her perfect to lead the women's basketball program. Her coaching style is based on solid team performances and on having a winning season every year she has been at the helm.

# Meet The Coaches!

**Coach Barry Mohun**

Coach Mohun begins his third season as Head Coach of Men's Basketball. A Graduate of Belhaven College, his first two seasons at Shelton State have produced winning records. His coaching style produces fast, exciting basketball everyone enjoys to watch. Having achieved the record of 28-4 last season raised even higher hopes for 2001-2002. Come enjoy and cheer for Shelton State

**Coach Bobby Sprowl**

Coach Sprowl, a former Boston Red Sox pitcher, starts his eighth year as Head Baseball Coach. The former University of Alabama pitcher has led his team to two Western Division Championships and strong showings at the State Championships. Expectations run high for the 2001-2002 season. A limited fall schedule is followed by a full spring season with 20 home contests. Look forward to exciting Bucs baseball!

**Coach Matthew Terry**

Coach Terry starts his third season as Head Golf Coach. His teams have seen two top three finishes at the National Junior College Division II Championships. Shelton State Men's Golf Teams have finished in the top four in this tournament during the past five appearances, winning a National title in 1999. The 2001-2002 season offers a very experienced and talented team with three All-Americans on the roster.
